PUBLIC SERVICE ANNOUNCEMENT – AIRPORT PICK UP PROCEDURE

The U.S. Virgin Islands is experiencing a very busy tourist season this year. The Virgin Islands Port Authority is advising the travelling public that the Cyril E. King Airport on St. Thomas and the Henry E. Rohlsen Airport are bustling with activity. At times there may be as many as 19 jets arriving and departing from our airports during the season.

While at the airport, the public is reminded that curbside parking is not allowed. VIPA asks all visitors at the airport to park in the parking lots. Please try to arrive to pick up your family or friends after they have landed and have collected their luggage. VIPA suggests that you have them call you when they are ready to be picked up. The Port Authority appreciates the public's patience and cooperation with our law enforcement and security personnel at our airports.

Happy Holidays and a Prosperous New Year from all of us at the Virgin Islands Port Authority.
