OLD AIRPORT PARKING PASSES ARE OBSOLETE

The Virgin Islands Port Authority advises the public that it has completed the installation of new parking lot ticketing machines at the Cyril E. King Airport (CEKA) and the Henry E. Rohlsen Airport (HERA) on St. Croix. The parking lot access cards previously issued are now obsolete and cannot be used with the new equipment. VIPA asks all persons in possession of the old cards to contact the respective airport's parking lot supervisor to obtain new parking lot access cards:

<u>Airport</u>	<u>Parking Lot Supervisor</u>	<u>Telephone</u>	<u>Email</u>

###

The Virgin Islands Port Authority (VIPA) is an autonomous, self-sustaining government agency established in 1969 as the owner and manager of the United States Virgin Island's airports and seaports. VIPA owns and manages 14 seaports, two airports and surrounding properties. It is a critical arm of the USVI's economy that facilitates travel and commerce and fosters tourism and economic growth via its port activities. VIPA's mandate is to develop and maintain the ports of the USVI to accommodate the current and future demands of our users, and to provide safe port facilities.
