The Virgin Islands Port Authority (VIPA) is an autonomous, self-sustaining government agency established in 1969 as the owner and manager of the United States Virgin Island's airports and seaports. VIPA owns and manages 14 seaports, two airports, and surrounding properties. It is a critical arm of the USVI's economy that facilitates travel and commerce and fosters tourism and economic growth via its port activities. VIPA's mandate is to develop and maintain the ports of the USVI to accommodate the current and future demands of our users and to provide safe port facilities.
